These Regulations, which apply in relation to England only, make provision for the local oversight of locally-led urban development corporations. The Regulations apply where the Secretary of State pursuant to a local authority proposal under section 134A of the Local Government, Planning and Land Act 1980 (“the 1980 Act”), makes an order under section 135 of that Act appointing one or more local authorities to oversee (“an oversight authority”) the development of a locally-led urban development area.

Regulations 2 to 5 specify the functions of the Secretary of State under the 1980 Act that are to be exercised by the oversight authority instead of the Secretary of State. Those include:

- (a) where the oversight authority is the local planning authority for the area, approval of urban development corporations’ plans for development of the urban regeneration area;
- (b) consenting to the transfer of the development corporation’s undertakings;
- (c) the appointment of the Board members of the development corporation; and
- (d) consenting to the development corporation’s borrowing.

Regulation 6 specifies the functions of the Secretary of State that can only be exercised by him with the consent of the oversight authority.

Regulation 7 provides that where the Secretary of State has designated an area as a locally-led urban development area the 1980 Act applies with the modifications set out in Schedule 1.
